

PARAMEDICINE, ASSOCIATE OF APPLIED SCIENCE

The Associate of Applied Science (AAS) Paramedicine is designed for individuals interested in providing care to patients in the pre-hospital setting. The purpose of this program is to prepare competent entry-level paramedics in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains with or without exit points at the advanced emergency medical technician, emergency medical technician, and/or emergency responder levels.

This program will provide the knowledge, skills and attitudes necessary for an entry-level paramedic and allow eligibility to sit for national and state testing for emergency medical technician and paramedic. The program meets or exceeds the required skills and knowledge as set forth by the National EMS Education Standards and the Oregon Health Authority DHS-EMS division (<https://public.health.oregon.gov/ProviderPartnerResources/EMSTraumaSystems/EMSTrainingCertification/Pages>).

The program is accredited by the Committee on Accreditation of Allied Health Education Programs (CAAHEP (<http://www.caahep.org>)) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) and the Oregon Health Authority DHS-EMS.

There are three Career Pathway certificates that lead to an AAS Paramedicine. To see how this program links to other programs at Southwestern click here (<https://www.socc.edu/pathways/roadmapsaz/313-emergency-medical-technology-roadmap>).

Entry Requirements

The EMT and paramedic sequence portions of the program are the only restricted-entry components. Students are required to submit an application to the College and a separate application to the EMS program. The application to the EMS program is for the EMT and paramedic licensure courses only. Students must complete all prerequisites listed in the EMT and paramedic application prior to submission of the application.

For more information contact the program director (<https://www.socc.edu/ems>) at 541-888-1554 or 541-888-7432. Due to continually changing laws and regulations, students may be required to add, modify or delete courses and/or hours for the curriculum to meet current standards. See advisor for current requirements.

Graduation Requirements

Students must complete a minimum of 98 credit hours with a minimum Grade Point Average (GPA) of 2.0 or better. All courses in the program must be completed with a 'C' or better. Twenty-four (24) credits must be completed at Southwestern before the AAS Paramedicine degree is awarded. The completion of the following certificates will be required in order to qualify for graduation: ACLS, PHTLS, AMLS, PALS or equivalent. Contact the director (julie.ryan@socc.edu) for more information on these certificates.

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).

Pre-Program Courses

Students are required to take the following courses *prior* to the program courses, depending on students' college placement information. See advisor for details:

Code	Title	Credits
CIS90	Computer Basics (or demonstrate proficiency)	2
MTH60	Algebra I	4
WR90	Paragraph Fundamentals (or higher writing placement)	3-4
or WR90R	Academic Literacy	
complete one of the prerequisite courses for BI231, Anatomy & Physiology		

Program Guide

Course	Title	Credits
First Year		
Fall		
AH111	Medical Terminology I	3
BI231	Human Anatomy and Physiology I	4
EMT175	Intro Emergency Medical Services	3
PSY201	General Psychology ¹	3
or PSY201H	or General Psychology w/Honors	
WR121	English Composition	3
or WR121H	or English Composition w/Honors	
Credits		16
Winter		
BI232	Human Anatomy and Physiology II	4
EMT151	Emergency Medical Technician Part A	5
EMT170	Emergency Response & Communication	2
EMT171	Emergency Response Transport	2
MTH65	Algebra II ²	4
Credits		17
Spring		
BI233	Human Anatomy and Physiology III	4
CJ203	Crisis Intervention	3
EMT152	Emergency Medical Technician Part B	4
EMT169	Emergency Medical Technology Rescue	3
EMT280	CWE: EMT	1
SP218	Interpersonal Communication ³	3
Credits		18
Second Year		
Fall		
EMT296	EMT Paramedic Part I	12
HE250	Personal Health ⁴	3
or PE231	or Wellness for Life	
Credits		15
Winter		
EMT297	EMT Paramedic Part II	12
Credits		12
Spring		
CIS120	Concepts of Computing	4

EMT298	EMT Paramedic Part III	9
	Credits	13
Summer		
EMT280F	EMT Paramedic Internship	7
	Credits	7
	Total Credits	98

¹ PSY202 General Psychology, PSY202H General Psychology w/ Honors, PSY203 General Psychology, PSY203H General Psychology w/Honors, or PSY237 Life Span Development may be substituted for PSY201 General Psychology.

² MTH95 Intermediate Algebra or higher may be substituted for MTH65 Algebra II.

³ SP111 Fundamentals of Public Speaking or higher may be substituted for SP218 Interpersonal Communication.

⁴ *Three (3) credits of PE 185 sport/activity courses **WILL NOT** meet this requirement.*

Program Student Learning Outcomes

Upon successful completion of this program the student will be able to:

- Demonstrate personal behaviors consistent with professional and employer expectations of an entry-level paramedic.
- Demonstrate technical proficiency in all of the skills necessary to fulfill the role of an entry-level paramedic.
- Comprehend, apply and evaluate information relative to the role of an entry-level paramedic in the cognitive domain.
