

BASIC ALLIED HEALTH CARE, CAREER PATHWAY CERTIFICATE OF COMPLETION

The Career Pathway Certificate of Completion: Basic Allied Health Care was created in response to the region's need for skilled healthcare workers. The Pathway Certificate consists of an evidence-based curriculum, including a minimum 33-hour internship that gives students a solid foundation in the allied health field. The program supports candidates to move into advanced training programs in the healthcare profession. This certificate provides students with the chance to gain entry-level skills in a high demand career field.

Click here (<https://www.socc.edu/pathways/roadmapsaz/314-medical-assistant-roadmap>) to learn how this Career Pathway Certificate can lead you to an AAS Medical Assistant. This Career Pathway also gains 'points' toward Southwestern's Nursing Program application (<https://www.socc.edu/images/nursing/2017Info.pdf>).

Graduation Requirements

Students must complete a minimum of 16 credit hours with a minimum Grade Point Average (GPA) of 2.0 or better. All courses in this program must be completed with a 'C' or better. One course must be completed at Southwestern before the Career Pathway Certificate of Completion: Basic Allied Health Care is awarded.

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).

Pre-Program Courses

Students are required to take the following courses *prior* to the program courses, depending on students' college placement information. See advisor for details:

Code	Title	Credits
CIS90	Computer Basics (or demonstrate proficiency)	2
WR90	Paragraph Fundamentals (or placement in higher writing course)	3-4
or WR90R	Academic Literacy	
MTH20	Basic Mathematics	4
