

EMS TECHNICIAN II, CERTIFICATE OF COMPLETION

The Certificate of Completion EMS Technician II, one-year certificate program is accredited by the Oregon Department of Education and the Oregon Health Authority Department of Human Services - EMS. It offers career training for entry-level personnel in EMT, increased training/skills employers are seeking, plus additional education in science. Students will gain a better understanding of human anatomy and injury. Successful completion of the EMT 151, 152, and 280 (included in this Certificate) leads to eligibility to sit for the State of Oregon and National Registry of Emergency Medical Technicians (NREMT (<https://www.nremt.org/rwd/public/document/emt>)) certifying exam.

Successful completion of the curriculum leads to a one-year certificate and eligibility to apply for the second year of the AAS Paramedic program at Southwestern or any other Oregon community college offering the AAS degree. Entry Requirements

Students are required to complete the college placement process to determine skill level and readiness in math, reading and writing. As part of their training program, students must begin with the courses within their skill level as determined by the college placement process. Students will also be required to complete a separate EMT program application for the level of Emergency Medical Technician for entry into EMT151 Emergency Medical Technician Part A.

Gainful Employment Disclosure

Southwestern is required by federal regulations to disclose information related to the College's educational programs that lead to gainful employment in a recognized occupation. This information is intended to provide students the opportunity to measure employment outcomes associated with certificate programs.

Gainful employment information for the Certificate of Completion Emergency Medical Technician (EMT) (<https://www.socc.edu/images/ge/emt.html>) can be found online.

Graduation Requirements

Students must complete a minimum of 48 credit hours with a minimum Grade Point Average (GPA) of 2.0 or better. All courses in the program must be completed with a 'C' or better. One course must be completed at Southwestern before the Certificate of Completion EMS Technician II is awarded.

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).
