

# FOREST TECHNOLOGY, CERTIFICATE OF COMPLETION

The Certificate of Completion Forest Technology can be completed within one year and is designed to prepare students for entry-level employment in the forestry field in supervised positions such as forester aides, surveyor assistant, measurement technician, and field mapping aide.

Click here (<https://www.socc.edu/pathways/roadmapsaz/157-forestry>) to learn how this Certificate of Completion can lead to an AS in Forestry.

## Gainful Employment Disclosure

Southwestern is required by federal regulations to disclose information related to Southwestern's educational programs that lead to gainful employment in a recognized occupation. This information is intended to provide students the opportunity to measure employment outcomes associated with Southwestern's certificate programs.

Gainful employment information for the Certificate of Completion Forest Technology (<https://www.socc.edu/images/ge/forest.html>) can be found online.

## Graduation Requirements

Students must complete a minimum of 46 credit hours with a minimum Grade Point Average (GPA) of 2.0 or better. All courses in this program must be completed with a 'C' or better. One course must be completed at Southwestern before the Certificate of Completion Forest Technology is awarded.

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).
