

CERTIFICATES

At Southwestern Oregon Community College we understand the need and desire to offer a full complement of short-term educational opportunities which will allow our students to enter the workforce in a short period of time. Once these certificates are completed the students can enter the employment field of their choice and may determine to further their education while working. We support these students from a scheduling perspective as well as offering a broad choice of career choice options.

Less Than One-Year Certificate of Completion

A Less than One-Year Certificate of Completion is a form of recognition awarded for meeting minimum occupational course, curriculum, or proficiency requirements; the credit range is 12 to 44 in an occupational area (e.g. Welding, Forestry, Graphic Art). LTOYs can be stand-alone certificates or include courses from one or more associate degree programs.

Career Pathways Certificate of Completion

Career Pathways Certificate of Completion is a form of certificate awarded by a community college for meeting specific technical skill proficiency requirements that meet an employment need. Career Pathways Certificates pertain to a grouping of 12 to 44 credits that are wholly contained in an approved Associate of Applied Science (AAS) degree/option or an Independent Certificate of Completion (with a minimum size of 45 credits), have a defined job entry point, represent collegiate-level work, and meet Commission standards and criteria.

Certificate of Completion

Certificate of Completion is a form of recognition awarded by a community college for meeting minimum occupational course, curriculum or proficiency requirements; the credit range is at least 45 credits to 89. Certificates in this category may be eligible for financial aid.
