EMERGENCY MEDICAL SERVICES TECHNICIAN II, CERTIFICATE OF COMPLETION

The Certificate of Completion Emergency Medical Services Technician II one-year certificate program is accredited by the Oregon Department of Education and the Oregon Health Authority Department of Human Services - EMS. It offers career training for entry-level personnel in EMT, increased training/skills employers are seeking, plus additional education in science. Students will gain a better understanding of human anatomy and injury. Successful completion of the EMT151 and 152 lead to eligibility to sit for the State of Oregon and National Registry of Emergency Medical Technicians (NREMT (https://www.nremt.org/rwd/public/document/emt)) certifying exam.

Successful completion of the curriculum leads to a one-year certificate and eligibility to apply for the second year of the AAS Paramedic program at Southwestern or any other Oregon community college offering the AAS degree. Click here (https://www.socc.edu/pathways/roadmapsaz/313-emergency-medical-technology-roadmap) to learn more.

Entry Requirements

Students are required to complete the College's placement process to determine skill level and readiness in math, reading and writing. As part of their training program, students must begin with the courses within their skill level as determined by the placement process. Students will also be required to complete a separate EMT program application for the level of Emergency Medical Technician for entry into EMT151 Emergency Medical Technician Part A.

Gainful Employment Disclosure

Southwestern is required by federal regulations to disclose information related to the College's educational programs that lead to gainful employment in a recognized occupation. This information is intended to provide students the opportunity to measure employment outcomes associated with certificate programs.

Gainful employment information for the Certificate of Completion Emergency Medical Technician (EMT) (https://www.socc.edu/images/ge/emt.html) can be found online.

Graduation Requirements

Students must complete a minimum of 48 credit hours with a cumulative Grade Point Average (GPA) of 2.0 or better. All courses must be completed with a grade of 'C' or better. One course must be completed at Southwestern before the Certificate of Completion Emergency Medical Services Technician II is awarded.

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).

Pre-Program Courses

Students are required to take the following courses *prior to* the program courses, depending on students' college placement information. See advisor for details:

Code	Title Credi	its
CHEM110	Foundations of General, Organic, and Biochemistry	4
or CHEM110H	Foundations of General Organic, and Biochemistry w Honors	/
CIS90	Computer Basics (or demonstrate proficiency)	2
MTH60	Algebra I (or placement in higher math course)	4
WR90R	Academic Literacy (or placement in higher writing course)	4

BI101, BI201, CHEM110H, or CHEM223 may be substituted for CHEM110.

Program Guide

Course	Title	Credits
Fall		
AH111	Medical Terminology I	3
BI231	Human Anatomy and Physiology I	4
EMT175	Intro Emergency Medical Services	3
PSY201 or PSY201H	General Psychology ¹ or General Psychology w/Honors	3
WR121 or WR121H	English Composition or English Composition w/Honors	3
	Credits	16
Winter		
BI232	Human Anatomy and Physiology II	4
EMT151	Emergency Medical Technician Part A	5
EMT170	Emergency Response & Communication Documentation	2
EMT171	Emergency Response Transport	2
MTH65	Algebra II ²	4
	Credits	17
Spring		
BI233	Human Anatomy and Physiology III	4
CJ203	Crisis Intervention	3
EMT152	Emergency Medical Technician Part B	5
EMT169	Emergency Medical Technology Rescue	3
	Credits	15
	Total Credits	48

PSY203 General Psychology or PSY203H General Psychology w/ Honors may be substituted for PSY201 General Psychology.

Program Student Learning Outcomes

Upon successful completion of this program the student will be able to:

- Demonstrate personal behaviors consistent with professional and employer expectations of an entry-level EMT.
- Demonstrate technical proficiency in all of the skills necessary to fulfill the role of an entry-level EMT.
- Comprehend, apply and evaluate information relative to the role of an entry-level EMT in the cognitive domain.

MTH95 Intermediate Algebra, MTH105 Math in Society, or higher may be substituted for MTH65 Algebra II.

- Employ knowledge in human physiology for the treatment of sick and injured patients.
- Demonstrate an understanding of human psychology and physiology and how it relates to the treatment of the sick and injured.
