

COMPUTER SCIENCE, ASSOCIATE OF SCIENCE OREGON TRANSFER

Students having the Associate of Science Oregon Transfer Computer Science (ASOT-CS) degree recognized on an official college transcript will have met the lower division general education requirements of bachelor's degree programs of any Oregon public university.

Students transferring under this agreement will have junior status for registration purposes. Each student is encouraged to work with an advisor and/or the University Center in the selection of courses within the ASOT-CS degree for alignment to the transferring institution. Courses, class standing or GPA requirements for specific majors, departments or schools are not necessarily satisfied by an ASOT-CS degree.

GRADUATION REQUIREMENTS

Students must complete a minimum of 90 credit hours with a cumulative Grade Point Average (GPA) of 2.0. All courses must be completed with a grade of 'C' or better. Twenty-four (24) credits must be completed at Southwestern before the degree is awarded. All Honors courses may substitute for their equivalent requirements.

Courses that are developmental in nature (designed to prepare students for college transfer courses) are not applicable to this degree.

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).

UNIVERSITY - SPECIFIC PREREQUISITES AND RECOMMENDATIONS
