

BASIC ALLIED HEALTH CARE, CAREER PATHWAY CERTIFICATE OF COMPLETION

The Career Pathway Certificate of Completion: Basic Allied Health Care was created in response to the region's need for skilled health care workers. The Pathway Certificate consists of an evidence-based curriculum that gives students a solid foundation in the allied health field. The program supports candidates to move into advanced training programs in the health care profession.

This certificate provides students with the chance to gain entry-level skills in a high demand career field. This Career Pathway also gains 'points' toward Southwestern's Nursing Program application.

GRADUATION REQUIREMENTS

Students must complete a minimum of 16 credit hours with a cumulative Grade Point Average (GPA) of 2.0 or better. All courses in this program must be completed with a grade of 'C' or better. One course must be completed at Southwestern before the Career Pathway Certificate of Completion: Basic Allied Health Care is awarded.

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of this program, the student will be able to:

- Demonstrate general knowledge of medical terminology, anatomy and physiology, and medical law and ethics.
- Demonstrate comprehensive knowledge of clinical practice.
- Practice professionalism as it relates to health care.
