

EDUCATION

Southwestern Oregon Community College offers several childhood education certificates and degrees to satisfy any level of training and education or path the student desires. We have infant and toddler programs all the way to elementary education. Southwestern's Elementary Education Associates of Science articulates to Southern Oregon University's (SOU) Bachelor of Science degree, fulfilling the first two years of the SOU program.

Major	Degree/Certificate
Childhood Education and Family Studies (http://ecatalog.socc.edu/programsaz/associate-applied-science-aas-childhood-education-family-studies)	Associate of Applied Science
